

Delmarva Water Solutions guarantees that the equipment we install will perform as specified below or we will repair or replace it at no charge. If we can not treat your water as specified below, you will be eligible for a 100% refund of money paid to Delmarva Water Solutions. This guarantee is for a period of one year from the installation date and relates to the treated water immediately following the treatment system(s). This guarantee is in addition to the manufacturer's warranty. Delmarva Water Solutions can not be held responsible or liable due to problems including, but not limited to distribution piping (galvanized pipes), well/pump (oxidation/cavitation/draw-down), or changes in raw water quality.

Delmarva Water Solutions guarantees the following water quality parameters with the recommended treatment equipment listed below . Only parameters marked with an "X" apply to this guarantee.

X	Parameter	Equipment
	Iron: <0.3 ppm	
	Hardness: <1 gpg	
	pH: 7.0-8.0	
	Odor (H2S): Non-detect	

X	Parameter	Equipment
	TDS: >95% Rejection	
	Nitrates: <10 ppm	
	Tannins: <1 ppm	
	Other:
